2020 Young Research Forum for Quantum Mechanics and Nuclear Physics Conference

Patrick Hayden

Professor, Department of Physics, Stanford University, California, USA

E-mail: phayden@stanford.edu

A Conference Series LLC Ltd invites the participants from all over the globe to take part in “**Quantum Mechanics and Nuclear Physics**” during **June 15-16, 2020 at Berlin, Germany**. The conference focuses on the theme: “*Co-relating the Physics of Quantum to the Wholeness of the Universe*”. Scientific sessions designed for this conference will assist the attendees and participants to learn extremes.

Quantum Mechanics 2020 aims to bring together the pioneers in both basic and translational Quantum research and cover the research studies, fundamentals of Quantum Mechanics and Nuclear energy, Quantum Chemistry, Quantum Cryptography, Quantum Science, Quantum Field Theories, Quantum Mechanics, String Theory & Quantum Gravity, Schrödinger equation, Quantum Chromo dynamics, Quantum Condensed Matter Physics, Quantum Transport, Quantum Optics, Quantum Information & Quantum Computing, Quantum Technology, Nuclear Physics, Nuclear Quantum Physics, Nuclear Reactor Physics, Nuclear Engineering, Nuclear Astrophysics, Nuclear Radioactive Decay, Nuclear Fission and Fusion.

Quantum Mechanics 2020 Conference aims at bringing the advancement in the field of Quantum Mechanics and Nuclear Energy, Quantum Chemistry, Nuclear Physics and Nuclear Quantum Physics and also lays a special emphasis at educating and informing environmental researchers, trade professionals with the newest information of technologies might be applied to counter the economic under-evaluation ecologist may face in their practice. Meet the eminent researchers working in the field of Quantum Mechanics and Technology. This conference will be the best platform to explore your research work and innovations in the respective areas. This conference is focused on all the major fields of Quantum Mechanics. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Quantum Mechanics 2020.

Prestigious Award for Young Research’s at Quantum Mechanics 2020 - Discovering New Exploration in Quantum Mechanics field

Quantum Mechanics Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Quantum Mechanics.

Young Research’s Awards at Quantum Mechanics 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Quantum Mechanics 2020 young research forum.

Benefits

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.

- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Quantum Mechanics 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Quantum Mechanics 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Quantum Mechanics 2020 more successful.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

How to Apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to quantummechanics@eventcontact.org along with the online application form below.
