Editorial

Dear Readers,

I am pleased to mention that during the year 2019, all issues of volume 11 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The Impact factor of AASR for the year 2019 is 1.2*. AASR published 2 Research Article, 1 Commentary and 3 Editorial in 2019. In 2018 BJR published 3 Research Article, 1 Review Article and 1 Editorial. During the calendar year 2019, AASR received a total of 50 papers, out of which 25 articles (50%) were rejected in the preliminary screening due to plagiarism or being out of the format. During 2019 around 15 articles were subjected to the peer-review process and 4 of those were accepted. In the Volume 11 published during the year 2019, a total of 4 articles were published (at an average of 3 articles per issue) of which, 50 % articles were by foreign authors. A total of 5 research scientists from India and abroad reviewed the 4 articles published in volume 11. Average publication lag time of an article was further reduced to 6-8 weeks. I take this opportunity to acknowledge the contribution of Dr. Francisco Torrens during the final editing of articles published and the support rendered by the editorial assistant, bringing out issues of AASR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of AASR, the office bearers and staff of IPA secretariat for their support in bringing out yet another volume of IJPS and look forward to their unrelenting support to bring out the Volume 11 of AASR in scheduled time.
