

Prestigious Award for Young Research's at Pharmacognosy 2020 - Discovering New Exploration in Pharmaceutical Sciences field

Naval Kumar Verma

Homeopathic specialist, Ministry of AYUSH, Government of India, New Delhi, India, E-mail: drnaval.kumar@gmail.com

It is our utmost pleasure to thank all the participants throughout the world for joining us for the upcoming "**8th International Conference and Expo on Pharmacognosy, Medicinal Plants and Natural Products**" which was held at **Shanghai, China** during **October 21-22, 2020**, with the theme "*Herbal Medicine: Way towards effective and advanced healthcare*" which includes incites keynote introductions, oral talks, and poster presentation. [Pharmacognosy 2020](#) planned to assemble every one of the general population over the globe like young researchers, instructors, assistant professors, professors, directors, chairman, chancellor, scientists, doctors, managing directors, chief executive officers, presidents and base a stage for them to share their experience.

Pharmacognosy 2020 Young Scientist Awards:

Pharmaceutical Sciences Conference Committee honoured prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Pharmaceutical Sciences.

Young Research's Awards at **Pharmacognosy 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Pharmacognosy 2020** young research forum.

Guidelines for Young Researchers

Forum Benefits

- Young Scientist Award reconignation certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.

- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co- author).
- Age limit-Under 35yrs
- All submissions must be in English.

Pharmacognosy 2020 provided best platform to expand your network, where one can meet scientists, authorities and CROs from around the world. It's was the great time to grab the opportunity to join **Pharmacognosy 2020** for promoting your research article and to facilitate prestigious award in all categories. In this fame, we thank for your contribution and astonishing dedication to make our **Pharmacognosy 2020** more successful.

Criteria for Selection

- Showcase your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.

- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors.
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.
- Actively distribute information and promote the benefits of education and career matters.
