

## Webinar on Applied Materials - Announcement

Webinar on Applied Materials 2020 Scheduled on November 30th, 2020 in Dubai, UAE. The goal of the webinar is therefore to bring together international researchers from industry and academia, from authorities and other institutions, from all over the world, to convey the information and share the latest developments across the immense and distinct fields of Applied Materials. The Theme of the Webinar is Current Trends and Future Technologies of Applied Materials.

### Keywords

Scientific Sessions of Applied Materials 2020 includes Advanced Applied Materials, Synthesis and Characterization of Applied Materials, Composite Materials, Polymer Nanotechnology, Biomaterials and Nano Biotechnology, Nanotechnology for Energy and Environment, Nano-optics, Nanomaterials in Food, Agriculture and Water, Nanophysics, Materials: Characterization and Testing. Nanomaterials are normally viewed as materials with in any event one outer measurement that estimates 100 nanometres or less or with inward structures estimating 100 nm or less. They might be particles, cylinders, poles or strands. Applied Materials have similar organization as known materials in mass structure may have diverse physical-substance properties than similar materials in mass structure, and may carry on contrastingly in the event that they enter the body. They may subsequently present diverse expected risks.

Webinar will be scheduled on a wide range of topics and it will be helpful for the scientific fraternity to be connected while staying at their preferred place. Join the Conference organized by us and let the world know about your research and innovation.

- Everyone gets an opportunity to witness and interact with individuals from their relevant field of interest.
- Online presentation to real time conversation
- Constant Source of Fresh Ideas & Insights From Peers

- Affordability
- Creation of one Web Page for Each Participants

### Who Should Attend

- All the Stake Holders (both Academia & Industry) of the Sector
- Researchers & Innovators
- Experts Looking for Collaborative Work
- Product Developers
- Solution Providers
- Sales & Marketing Professionals
- Associations, Societies, & Professional Bodies
- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

### Why to Attend

- To Meet Experts
- Learning In a New Space
- New Tips & Tactics
- Certification
- Global Networking
- Rebuild New Customer Base
- Brand Establishment
